## St. Mary Queen of Martyrs | EYFS Long Term Plan

### Implementation in Action:

The Long Term Plan for our EYFS setting delivers the curriculum through a balance of adult-led and child-initiated learning experiences. This document aims to set out an overview of our daily routines, continuous provision, and high-quality teaching interactions under the umbrella of termly 'overarching themes' and half-termly 'topic drivers'. The themes and topic drivers are shared by both Foundation Stage 1 and 2, they allow us to plan ahead and share resources and expertise while giving us the freedom to follow our children's interests, e.g. During our 'Let's celebrate!' theme where we celebrate 'All about me', the F1 children may love talking about their pets and begin to explore animals more, while F2 children may show a real interest in bodies parts and senses and follow that line of enquiry more thoroughly.

The Core Books are story-time books that link to our topic driver. They meet the criteria for Stories for Talking and/or Talk for Writing, and help us ignite the children's interest as we begin to explore a particular area of learning. Specific vocabulary from the chosen book will be a focus for teaching and this vocab will be visible within our environments to strengthen the use and understanding of these target words.

Please note this Long Term Plan is a working document as we discover new books, develop and refine our practice, and adapt as a result of new research or policy/framework updates.

The F1 planning relates to N2 children. Where a child completes 4 or 5 terms in F1 (N1 child), they will be grouped appropriately. Additionally our 2 year old provision, Little Cuthberts, uses this Long Term Plan to create bespoke, lighter touch, medium term plans.
