

Remote Learning at St Mary Queen of Martyrs

This plan outlines the three types of Remote Learning which will be offered to children if their learning is disrupted by Covid between September 2021 – July 2022. It is not anticipated that there will be a return to whole school closures nationally and class closures will be a last resort (see Covid Contingency Plan Sept 2021). However, it is likely that some children will have to miss school because they have asymptomatic Covid. It is also possible that, should there be a major Covid outbreak within school, whole classes may have to move to home learning for 10 school days. If your child is ill with Covid, or any other illness, they won't be expected to complete any home learning.

There are three different types of home learning available:

	Type of Remote Learning		
	Individual Isolation 	Whole Class Closure 	Whole School Lockdown Closure 
Who is this for?	This is for individual children who can't attend school because they have Covid, but don't have symptoms so can continue to access learning at home during isolation.	This is for whole classes who have been moved to remote learning for 10 school days because there has been a significant outbreak which continues to spread.	It is not expected that there will be a need to close the whole school as a result of Covid. However, should this be necessary, then this home learning will be provided.
How will the learning be structured?	<p>As the teacher will still be teaching the rest of the class in school, and as we have ensured that all children have a digital device to access live lessons, the teacher will provide:</p> <ul style="list-style-type: none"> • Access to teaching via Google Classrooms so that children can participate in the class learning which is the same as their peers in reading, writing, maths and RE lessons • Supporting paper activities will be accessible via Google Classrooms to parents so that they can complete the follow-up practice activities at home/foundation subjects 	<p>As the whole class will be working from home, the teacher will teach a special unit of work designed for a two week bubble closure. It will include daily Reading, Writing, Maths and RE teaching:</p> <ul style="list-style-type: none"> • Via Google Classrooms • Daily Google Meet registration sessions • Feedback sessions provided via Mote. • Staff will make contact daily if children do not attend the Google Meet registration sessions 	<p>As the whole year group will be absent from school for 10 days, year group teachers will work in teams to support home learning. It will include at least 4 hours a day of learning, including: Reading/ phonics, Writing and Maths lessons & RE activities (see detailed plan over for details):</p> <ul style="list-style-type: none"> • Teaching via Google Classrooms • Daily Google Meet registration sessions • Feedback sessions provided via Mote. • Weekly check in phone call

<p>How will my child access the work?</p>	<p>This will be accessed via Google Classrooms once it has been established that your child is well enough to complete home learning whilst self-isolating with Covid.</p> <p>Children who are ill with Covid will not be expected to complete home learning.</p>	<p>All work will be accessed through Google Classrooms</p>	<p>All work will be accessed through Google Classrooms</p>
<p>What will the work include?</p>	<ul style="list-style-type: none"> • Daily Maths • Daily Writing • Daily Phonics • RE (equivalent to 2.5 hours) 	<ul style="list-style-type: none"> • Daily Google Meet Maths • Daily Writing • Daily Phonics/Reading • RE (equivalent to 2.5 hours) • Enquiry/Independent task time 	<ul style="list-style-type: none"> • Daily Google Meet Maths • Daily Writing • Daily Phonics • RE (equivalent to 2.5 hours) • Enquiry/Independent task time
<p>How will the teacher keep in touch with my child?</p>	<p>As this will be a short absence of 10 days, a member of staff will contact parents to check that they understand the home learning.</p> <p>Children with an EHCP will be supported in home learning through contact with their one-to-one TA, via Google Classrooms.</p>	<p>The teacher will 'check-in' with all the children every day via the daily registration on Google Meet.</p> <p>Anyone who is missing from the GoogleMeet will be contacted via phone call.</p> <p>Children with an EHCP will be supported in home learning through contact with their one-to-one TA.</p>	<p>The teacher will 'check-in' with all the children every day via the daily registration on Google Meet.</p> <p>Children with an EHCP will be supported in home learning through contact with their one-to-one TA, although most children with an EHCP will have a place in school.</p>
<p>What resources will my child need?</p>	<p>Access to the internet via a laptop, chromebook or tablet.</p>	<p>Access to the internet via a laptop, chromebook or tablet.<i>School can loan these to families if children have limited access to these at home.</i></p>	<p>Access to the internet via a laptop, chromebook or tablet.<i>School can provide these for families where families have limited access to these at home*.</i></p>
